0 bedroom land for sale

Guide Price £115,000 Freehold

Description

Being Sold via Secure Sale online bidding. Terms & Conditions apply. Starting Bid £115,000.

An exciting opportunity to acquire a parcel of land formerly used as a council-owned car park, now privately owned and located within a well-established residential estate. This plot offers significant potential for residential development, subject to obtaining the necessary planning consents.

The site is positioned within a quiet, predominantly residential area, benefiting from close proximity to local amenities, schools, and transport links. Its previous use as a car park suggests level ground and good accessibility, making it an ideal candidate for redevelopment.

Early enquiries indicate strong potential for planning permission to build residential dwellings, which would align with the surrounding neighbourhood and ongoing regeneration in the area.

This is a rare chance to secure a site with genuine development prospects in a sought-after location.

A pre-app was submitted for a terrace of 7 - 10 units comprising 7 no. family dwellings (3/4 beds) or 5 no. family dwellings and 4 or 5 smaller units of 1/2 beds. The Local Planning Authority concluded:

"Officers would expect the development to be substantially reduced in scale. Entirely without prejudice and for yourself as Applicant to

evidence, it may be possible that a scheme of no more than 4no semi-detached two-storey dwellings may be more appropriate."
